Welcome to the month of August, the weather is still a little cold and wet, and keeping most of us indoors were it's warm and cosy, but don't forget there's still great photo opportunities out there. Some of our members have been braving the cold producing [beautiful results](#). One even used the cold to produce a [unique perspective on bubbles](#) that is well worth a look.

The Committee is currently working out the details in the form of an agreement and have organised for Jessie to attend the 16th August meeting to explain what kind of images they would be after and give the members the opportunity to access the Rowing Club Rooms, equipment, etc. For those not attending on the night, there will be other opportunities available both in public events and access organised through Jessie.

October 2022 Weekend Away - CANCELLED

Phillip Island Weekend

Phillip Island, VIC

Unfortunately the committee made the decision to cancel the weekend away to Phillip Island this year as the original plan for the 14th - 16th of October actually clashes with the Phillip Island Grand Prix and QUAD Comp this year. Other dates discussed clashed with other events that members were already booked to attend, or clashed with school holidays/ long weekends that may interfere with attendance rates. When it turned out the final date chosen was already planned as an extra motorcycle event for Phillip Island the committee decide to cancel this event and will endeavour to plan an organised Day Trip as a replacement, further details to follow in upcoming Newsletters.

Treasures of Dai Gum San

Bendigo Art Gallery, 42 View Street, Bendigo VIC

Chinese artistry from the Golden Dragon Museum

Treasures of Dai Gum San showcases exquisite artistry across the renowned collection of Bendigo's Golden Dragon Museum, in metalwork, cloisonné, fine silk embroidery, paper craft, and ornamental wood and stone carving. Focused on the refined craftsmanship of the late Qing Dynasty (1644 -1912), a curated selection of treasured items highlight the technical rigour, rich symbolism and cultural significance of traditional Chinese art and design and its grounding in longstanding traditions of artistic expression.

From the 1870s, Bendigo's Chinese communities from the Pearl River Delta in Southern China participated in the annual Bendigo Easter Fair with theatrical displays of costumes, music, lion dances and the parading of remarkable Imperial dragons – these items are now some of the oldest surviving examples in the world. Today, the Museum plays a globally significant role in the preservation and continuation of artistic traditions including China's rich culture of fine art and design. This exhibition is curated by Bendigo Art Gallery in collaboration with Bendigo's Golden Dragon Museum and guest Research Curator Sophie Couchman.
