Definitions

Action Movement: Freeze dynamic moments or convey a sense of motion in your photographs.

From Behind: Capture the subject from a unique perspective—focusing on the subject's rear view.

Wine/Viticulture: Capture the essence and artistry of wine in its various stages; from vines to vineyards to wine cellars to the glass.

Doors/Windows: Explore and capture the beauty, character, and stories found in doors and windows. They can convey a sense of place, history and human connection.

Steam/Vintage: Explore and capture the nostalgia, beauty and character of steam-powered machinery, vintage vehicles and other relics from the past.

Macro/close-up: Capture the subject at a very close range, revealing intricate details and textures that are not easily visible to the naked eye.
